

Homework for the Week of Dec. 3 - Dec. 7

1. Read **each night** for **at least 10 minutes** and log your reading on a log sheet provided.
2. Think about the Nutcracker performance we saw last week. In the space below, list your favourite part of the performance and tell why it was your favourite part. Make sure you **SPECO** your work.

3. In Math, we have started our unit on Data Management. Please answer the questions about the graph below. Be sure to read the questions carefully.

Which type of leaves did the class collect the most of? _____

How many poplar leaves were collected? _____

How many leaves were collected in all? _____ (Show your work on the back.)

Write a question about this graph.

Answer your question.
