

Homework for Week of Feb. 19-22

1. Continue to read each night and log your reading.

2. In Math, we continue our unit on 3D Geometry. The students are learning to identify, sort, compare and describe 3D shapes. This week, have your child describe the 3D shape shown below using criteria we have discussed in class (prism or pyramid?, name it, # faces, # vertices, # edges, shape of faces, any congruent faces?) Use a bulleted list to organize your information.

	Name: _____ # faces: _____ Shape of faces: _____ # vertices: _____ # edges: _____ Congruent faces: _____
--	---

3 In Language we have been working on synonyms and antonyms, please fill out the chart below.

Word:	Antonym (opposite)	Synonym (same)
fast		
quiet		
beautiful		
kind		
old
