

Homework for Week of Nov. 5-9

1. Read **each night** for **at least 10 minutes** and log your reading on a log sheet provided.
2. In Math, we are learning to subtract 2-digit numbers. To support your child's learning at school, please have him/her **complete the subtraction facts** on the back of this sheet. Mastering these facts to 18 will be beneficial to your child's experience subtracting larger numbers.
3. In Language, we continue to read non-fiction, descriptive texts. This week at home, have your child **read a non-fiction book/article** as part of their weekly reading. Then ask them to list 5 important facts they learned about the topic in the space below. You may wish to use a bulleted list to state the facts.
