

Homework for the Week of March 25 - 29

1. Read each night and log your reading on a log sheet provided.
2. In Language, we have been learning to describe characters in texts that we read. The children know that we can use information from the text, such as the things the character does and the things the character says, when describing a character. In the chart below, have your child name 2 characters from texts they read this week, state a character/personality trait for each (e.g. hard-working, shy, honest, determined) and then give proof/examples from the text to support their answer. An example is provided for you below.

Name of Character/Book	Character Trait	Proof from the text
