<u>Homework for Week of Nov. 19-23</u>

1. Read **each night** for **at least 10 minutes** and log your reading on a log sheet provided.

2. In Math, we continue to work on strategies for adding and subtracting large numbers. Please have your child complete the questions below. Don't forget the therefore (tada) sentence for each word problem.

Benjamin had 73 hockey cards. Unfortunately, he lost 25 of his cards on his way home from school. How many cards does Benjamin have now? Show your strategy.

Mr. Tom found 38 tennis balls on the roof on Monday. On Tuesday, he found 54 tennis balls on the roof. How many tennis balls did Mr. Tom find altogether? Show your strategy.

3. We have been working on making leads more exciting. Here are three leads, make them more exciting.

My mother walked into the room.

I saw the cat.

My bike is brown.
