

Homework for Week of October 1st-4th

Happy
Thanksgiving!

1. Read **each night** for **at least 10 minutes** and log your reading on a log sheet provided.
2. To compliment our Literacy program, this week we are asking you to read the Thanksgiving poem below with your child and help him/her to circle all the **rhyming words**. Then, in the box beside the poem, please have your child use clues from the poem to draw a picture of what he/she is **visualizing** in his/her head as he/she reads the poem. Please make sure it is also **neatly coloured**.
3. In Math class, we are working on **comparing and ordering numbers**. Please have your child complete the Math activities listed below.

Thanksgiving

By O. Eastwick

Thank You for all my hands can hold—
apples red,
and melons gold,
yellow corn
both ripe and sweet;
peas and beans
so good to eat!

Thank You
for all my eyes can see—
lovely sunlight,
field and tree,
white cloud-boats
in sea-deep sky,
soaring bird
and butterfly.

Thank You
for all my ears can hear—
birds' song echoing
far and near,
songs of little
stream, big sea,
cricket, bullfrog,
duck and bee!

List all the **3-digit numbers** you can make using **only the digits 1, 9, and 4**. You may use each digit only once. Then, put them in **order from the greatest to the least**.

Which number is **greater** 465 or 456?
Show how your know.
